Dear Laura,

Thank you for being our Realtor during the recent purchase of our home. You were truly diligent in searching for and helping us find a home that meets our needs. Many things came up during escrow that we did not expect. And it was your honesty, integrity, and experience that gave us the ability to move forward through the transaction and close escrow as smoothly as possible. We have only good things to say - you did a superb job - thank you! We're delighted with our new home, and we wish you all the best!

Thanks again,

Randy & Denise
